

Dockets Management Branch (HFA-305) AIO:35
Docket No. 98N-1265
Food and Drug Administration
5600 Fishers Lane
Rockville, MD. 20857

I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular, I OBJECT to the definition of "inordinate amount" which restricts the availability and the right to obtain medically necessary compounded medications by limiting the number of prescriptions that can be shipped across state lines from specialized compounding pharmacies.

COMMENTS:

There are only 2 pharmacies in the United States that I can get my prescription. I desperately need this compound medication for the rest of my life. If I can not get it from out of state, my health would be greatly hindered.

*Thank you for listening!
P.S. I cannot get this prescription locally or from a commercial pharmaceutical company.*
